Dear Sir/Madam,

POSTPONEMENT OF YOUTH DEBATE OPEN 2013

The Youth Debate Open 2013 was scheduled to run on 22 and 23 June 2013 at Anglo-Chinese Junior College.

However, the Pollutant Standards Index (PSI) has reached “Hazardous” levels these past few days. As the health and wellbeing of everyone involved in the tournament is our utmost priority, we have decided to postpone the competition to a later date.

The competition will be rescheduled once the PSI reaches a consistently “Moderate” or “Good” level. We will keep all schools and teams involved in the tournament updated on this.

Debate Association (Singapore) is deeply sorry for the inconvenience caused and seeks your understanding on the matter. Please contact us directly at outreach@debates.org.sg if you have any further queries.

Yours faithfully,

Cherylyn Wee

Director (Competitions)
